

Andes Flood Commission is Officially Established

by Tom Coddington

April 21, 2015

ANDES — Following a public hearing that preceded its April 14 meeting, the Andes town council approved a local law establishing the town's flood commission. Councilman and Deputy Supervisor Wayland "Bud" Gladstone, who chairs the commission, stated, "We (members of the commission) will have two more meetings. We also will be getting a lot of administrative support from Soil and Water (the Delaware County Soil and Water Conservation District), and (Town Attorney) David Merzig."
